**APPLICATIONS LODGED**

<b>Area</b>	Area 4 - North West
<b>Application Number</b>	4028/09
<b>Application Type</b>	Permission
<b>Applicant</b>	Smart Recycling Limited
<b>Location</b>	No. 1, Jamestown Business Park, Jamestown Road, Finglas, Dublin 11
<b>Proposal</b>	The development will consist of the fit out of the existing portal framed, industrial building for the purposes of handling non-hazardous dry waste for recycling, for which a waste licence is required, with minimal changes to the elevations. The only external changes to the existing buildings, are the demolition of a single storey toilet block and adjacent single storey store located in the service / delivery yard to the north of the site. A new roller shuttered vehicle access point and a pedestrian access door are proposed to the west elevation of the building, where the toilet block was located. A weigh bridge is proposed to be located in the existing service yard along with a single storey portacabin office. A new escape door is proposed on the north elevation adjacent to an existing roller shuttered vehicle access point. Any external access or escape doors to the main industrial area, are to be upgraded or replaced with steel faced doors. There are no changes to the main two storey red brick office area. The development will use existing foul and surface water connections.
